

# PENTABIOCEL®

Food supplement

14 x 1.2 g orosoluble sticks

PentabioceI® is a food supplement with probiotics useful for the balance of the intestinal bacterial flora. PentabioceI® consists of a blend of 5 probiotic strains and precisely from *L. paracasei* 101/37 LMG P-17504, *L. plantarum* 14D CECT 4528, *B. animalis ssp. lactis* Bi1 LMG P-17502, *B. breve* Bbr8 LMG P-17501, *B. breve* BL10 LMG P-17500.

Scientific studies have shown that these probiotics are able to overcome the gastric barrier, to arrive alive and vital in the intestine, colonising it. Probiotics are normal non-pathogenic and non-toxic inhabitants of the human gastrointestinal tract and other body regions.

## SAFETY

The safety of probiotics is largely demonstrated by numerous clinical studies on their use. PentabioceI® can also be used by subjects intolerant to gluten and lactose.

## DOSAGE AND INSTRUCTIONS FOR USE

Preferably take one stick a day, away from meals.

Open the stick and pour the contents directly into the mouth.

The product can be taken without water.

Just one stick per day is enough for the intake of 20 billions of probiotics.

## STORAGE CONDITIONS

PentabioceI® must be stored in a cool, dry place, below 25°C away from light, humidity and direct heat sources, in order to guarantee the vitality of the probiotics. Do not freeze.

## WARNINGS

Food supplements are not intended as substitutes for a varied, balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose.

Keep out of the reach of children under three years of age.

Seek medical advice for administration of PentabioceI® to children under the age of three.

The expiry date refers to the product correctly stored, in unopened packaging.

Excessive consumption may have laxative effects.

## PACKAGING
