

# Reuterin<sup>®</sup> D3 800

**IMMUNO**

*L. reuteri* DSM 17938

Food supplement

30 chewable tablets

Reuterin<sup>®</sup> D3 800 Immuno is a food supplement containing *L. reuteri* DSM 17938 and Vitamin D<sub>3</sub>. *L. reuteri* DSM 17938 is a probiotic that colonises the intestine and helps to balance the intestinal flora.

Vitamin D<sub>3</sub> not only contributes to the normal absorption of calcium and phosphorus, but also contributes to the normal function of the immune system.

Published scientific papers show that *L. reuteri* DSM 17938:

- is active and vital in the environmental conditions present in the intestine;
- is resistant to gastric acid, bile and pancreatic juice;
- is capable of colonising the human intestine.

## **SAFETY**

Numerous scientific publications attest the safety of *L. reuteri* DSM 17938 in adults, children and babies.

## **DOSAGE AND INSTRUCTIONS FOR USE**

Chew 1 or 2 tablets daily, with or between meals.

One intake per day provides 800 IU (20 mcg) of Vitamin D<sub>3</sub> and 10<sup>8</sup> UFC of *L. reuteri* DSM 17938 for colonising the intestine.

## **STORAGE CONDITIONS**

The product should be stored in a cool place (max 25°C).

Do not freeze. Check the expiry date of the product before consumption.

## **WARNINGS**

Keep out of the reach of children under three years of age.

Food supplements should not be regarded as a replacement for a varied and balanced diet and a healthy lifestyle. Do not exceed the recommended dose. Excessive consumption may have laxative effects. Consult your doctor before giving the product to children under three years of age.
